## Santa To Arrive Saturday At 2p.m.

The annual trip of Santa to Elba will again be sponsored by the members of the Elba Fire Department. Firemen report they expect Santa to arrive Saturday afternoon at 2 p.m. for a brief visit before

the faithful Christmas Eve delivery of toys and other goods. Santa will come in from the airport on the fire truck. He will circle the square with candy for all the children, and return to the airport.

## Farmers Need To

### Guard Lungs

Efforts to safeguard the nation's farmers against occupational threats to their lungs received strong support

when two of America's largest agricultural organizations gave support to the 1978 Christmas Seal campaign, announced Mrs. Una Edwards, Coffee County Christmas Seal Chairman.

Alan Grant, president of the American Farm Bureau Federation, said in a letter to the nationwide Christmas Seal organization: "The American Lung Association is to be commended for its valuable service in attempting to improve the health and living conditions for all Americans. Through the Christmas Seal program every American can contribute to the battle against lung injury and disease. I am sure that rural people in America will support the 1978 Christmas Seal program which provides the money to carry on the vital activities of the American Lung Association. I encourage their support."

John W. Scott, master of the National Grange, said in a message to his members: "Today 47 million Americans suffer from chronic respiratory diseases. Millions more will develop such diseases and lose their jobs—and their lives. People are exposed where they live or work to dusts, fibers, chemicals, gases, and other substances that damage their lungs. The American Lung Association is attempting to increase awareness of the occupational hazards, encourage more research, improve medical services, and maintain contact with legislators and government agencies. Your continued support can help the Christmas Seal organization in its battle against lung disease. I sincerely hope that each Grange and each member will continue to support the efforts of the American Lung Association, by supporting the Christmas Seal campaign again this year."

In accepting this support, Mrs. Edwards said the Christmas Seal people wanted to increase their efforts to protect everyone's lungs, including farmers. She urged

everyone to contribute because Christmas Seals truly are a matter of life and death.

## Local Stores To Open Sunday Afternoon

Many local merchants have indicated they will remain open Sunday afternoon for the benefit of last-minute shoppers. Opening hours will usually be from 1 p.m. until 5 p.m.

This is an effort to help people doing their Christmas shopping on Christmas Eve. By the holiday stores remaining open, the shoppers will not be forced to travel out of town to find where to shop.

When you go to the store to buy your usual list of goodies for Christmas baking, you may be in for quite a surprise. Raisin prices are much higher than last year, and in some places even triple what they were this time last year. You may wish to check the price of currants to see if this might be a lower-cost substitute for raisins.

Pecan prices are also greatly increased over last year, but you may be able to get a better price at pecan wholesale warehouses. Be careful to check the quality of the nuts. Because of the dry weather we have had, many pecans may be bad.

Candied fruit prices remain about the same as last year. Check the prices carefully when you buy candied fruit. Sometimes it will cost less to buy the fruit already mixed than if you mix it yourself.

COOKING EGGS  
Eggs are the basis for a variety of delectable dishes—whether served alone or in other foods. They may be used in appetizers, salads, salad dressings, sandwich fillings, main dishes, and as an ingredient in many different dishes. But, regardless of how you use them, eggs should be cooked properly.

To ensure best eating quality, cook eggs over low or medium heat for just the right length of time, and never overcook. This applies to eggs cooked in water, a frying pan or in the oven. If the cooking temperature is too high or the egg is cooked too long, the protein shrinks and makes the white tough and the yolk runny. The green discoloration that sometimes appears between the white and yolk of a hard-cooked egg is harmless, but unattractive. To prevent this, I recommend cooking eggs at a low temperature, avoid overcooking, and cool promptly.

For a special treat, sprinkle tiny frozen blueberries over purloins before turning on a grill. Serve with hot blueberry syrup.

PUBLICATIONS  
Here are three publications I'd like you to know about: They are "Christmas Ideas," "Christmas Ideas - Foods," and "Cooking with Alabama Honey." If you'd like a free copy or copies, please call our office at 694-5556. The foods publication is full of recipes using a limited amount of sugar. So if you are on a limited sugar diet and need recipes for desserts, you'll enjoy this publication. There are limited numbers of each.

REV. ED HENNE  
First United Methodist Church

There is something exciting about Christmas! Even adults get caught up in the awe and splendor of the season, and if you have children at your house, you know they can hardly contain themselves in these days before Christmas.

Christmas is a miraculous time. If you refuse to believe in any sort of miracle, then Christmas isn't likely to mean much to you. But, if you will agree with me that life presents us with many miracles, then perhaps you can see that Christmas is one of the greatest miracles of all.

Christmas is the story of a birth, and birth itself is always a miracle. I can remember the times my own two children were born, and how awe-struck I was that they were such perfectly-formed, well-functioning human individuals. The process of birth is dramatic proof that the creative genius of God is still at work in our world. Perhaps we should hang a sign over our door: "GOD AT WORK."

The process of birth is dramatic proof that the creative genius of God is still at work in our world. Perhaps we should hang a sign over our door: "GOD AT WORK."

Christmas is the story of a miraculous birth, and birth itself is always a miracle. I can remember the times my own two children were born, and how awe-struck I was that they were such perfectly-formed, well-functioning human individuals. The process of birth is dramatic proof that the creative genius of God is still at work in our world. Perhaps we should hang a sign over our door: "GOD AT WORK."

## Miscellaneous Shower Honors Miss Jan Autrey

The lovely home of Mrs. Foy English was the setting for a miscellaneous shower honoring Miss Jan Autrey, bride-elect of Mr. John Moody, on Saturday, December 9, 1978. A Christmas theme was the prevalent mode of decoration for the festive occasion.

Guests were greeted at the front door and were invited into the living room by Mrs. English, who then directed them to the receiving line composed of the honoree; Mrs. Walter Autrey, mother of the honoree; Mrs. Harold Moody; and Mrs. R. A. Thompson of Greenville, maternal grandmother of the honoree.

Miss Tammy Padgett registered the guests at a table skirted with a white army and navy cloth and a gold tulle underlay. The formal dining room, aglow with the light of numerous white tapers, was accented with many potted white poinsettias. The serving table, draped in identical fashion to the registry table, held a large crystal punch bowl encircled with holly and a brass candelabra interspersed with bronze and yellow mums, baby's breath, and yellow ribbon. Gold leaf stands with white poinsettias flanked the buffet. Misses Tammy Malory and Tammy Finner served the guests punch, nut roll, sand tarts, and nuts as Miss Teri Finner passed the napkins.

After having been served, guests were directed to the master bedroom accented with pink poinsettias and pink silk roses, where many lovely gifts of linen were displayed. Gifts of china, silver and stemware, along with miscellaneous items, were displayed in the family room, where a massive arrangement of yellow daisies provided the focal point.

Miss Autrey chose for the occasion a floral gown garnished with a white carnation corsage, a gift of the hostesses.

Those assisting Mrs. English for the gala event were Mrs. Winford Padgett, Mrs. D. L. Padgett, Mrs. J. L. Poole, Mrs. Hollis Kelley, Mrs. Cecil Money,

Mrs. Wallace Smith, Mrs. Jearl Boland, Mrs. Hayes Ammons, Mrs. Carol Marler, and Mrs. Rudolph Crook. Others assisting but unable to attend were Mrs. L. B. Plant, Mrs. John T. Young, Mrs. Charles Parris, Mrs. Fred Calhoun, Mrs. Wade Mallory, Mrs. Bill Bullard, Sr., Mrs. Lester Finner, Mrs. James Grimes and Mrs. Bobby Henderson.

The hostesses presented

Miss Autrey with an electric toaster-oven. A large number of guests called between the hours of two and four in the afternoon.

Miss Morris chose a mauve quiana dress for the occasion.

Guests were invited to the registry book by Mrs. Jean Hornsby. Appointments for the registry table were a crystal and vase containing a red rose.

The refreshment table was covered with a red linen tablecloth underneath a delicate hand-crocheted tablecloth. The punch was served by Mrs. Janaria Thomas and Mrs. Linda Brock from a silver punch bowl surrounded by holly with red berries. Red candles decorated this table and high-

lighted other areas of the home.

The stockings, made by the club members under the direction of Mrs. Bancroft Cooper, were hung on the doors of the resident's rooms and added a cheerful note to the hallways. Small gifts were placed in each stocking.

Mrs. Mayo Prescott, Mrs. Sam Rowe and Mrs. Barry Siler decorated a festive party table with a red Christmas cloth placed over a longer white cloth, red candles burning in crystal candelabra and a crystal punch service. Platters of colorful home baked cookies added to the party atmosphere.

## Views From The Pressbox

By Ricky Malars, Sports Editor

I went by to look at the gym at Mulberry Hts. this week, and it was really in great shape. Recreation Director Dennis Smith and his two-man crew have worked miracles in the abandoned facility.

The gym floor is in good shape and is ready to go. All the lights, work, the walls have been re-painted and the dressing room and showers are in practically "brand new" condition. I went to the gym a couple of times last year and I guarantee you it looks 1000% better than it did! Dennis has done a super job in getting the gym ready for the basketball season, and it is a facility everyone in Elba can be proud of.

I'm sure that Dennis will do just as good a job in everything he does, and I urge the people of Elba to support Dennis and his program. Elba's Recreation Department is definitely moving forward!

The Christmas Holidays have slowed down the local basketball action, and while there is a slowdown, I'll look around and try to pick the top teams prior to the holidays.

In Class 4A, Enterprise is 10-0, but of the ten wins only one was over a 4A team. The Wildcats are getting better every game and might just surprise me and do well against the big boys in Montgomery.

In Class 3A, the guess Op and Troy are the teams to beat. The Bobcats unbeaten except for two losses to Enterprise and will win a lot of games. Troy isn't as good as in the past, but the Trojans are so physical they just wear you down. Eufaula was an early pick to win the area again, but Coach Mance Daughtry's Brundidge team beat'em last week, so either Eufaula isn't as good or Brundidge is getting tough.

Over in Class 2A, I'll have to go with Laverne, Straughn and New Brockton. Laverne is a veteran club with good shooters and strong rebounders, and they blasted Andalusia by 18-points in Andalusia. Straughn has lost two games, but they've beaten Laverne and could just be the team to beat. New Brockton has a young club that is loaded with potential, but I'm not sure if the Gamecocks can put it all together this year.

In Class A, Zion Chapel has a strong club that has played together since their days in elementary school at New Hope. The Rebels are 7-2 and host both the Area and Region Tournaments. Look out, they could go all the way. Kingston has a good club despite their disaster at New Brockton, and they are my pick to win their area.

Russ Wood has been grabbing a lot of headlines lately, and I think he is very deserving of the honors he has received. Russ is not only a fine athlete, but a fine young man with a chance to do big things. Good Luck!

Ye Ole Polish Propagator came out of retirement this week and left his predictions for the Bowl games. Here is how they went . . . . .

**SUGAR BOWL**  
The Nittany Lions will have the emotional edge and it could prove to be a big factor. However, I think the Tide will roll into the number 1 position!

Pittsburg 35 - North Carolina 21

## Russ Wood Named All-State By Montgomery Advertiser

Football honors continue to roll in for Elba's Russ Wood. A grid standout for the Elba Tigers for the past two seasons, was honored this week by being named "All-State" by the MONTGOMERY ADVERTISER. The large, daily paper,

named Wood on its 3A All-State squad at offensive-end. Other honors which Wood has received this year include - Birmingham News All-State, All South Alabama Conference, and most importantly, a football scholarship to the University of Alabama.

## Men's Basketball League To Tip-Off Season On Jan. 2

Elba Recreation Director Dennis Smith has announced that the Men's Basketball League will tip-off its season on Tuesday night, Jan. 2 at the Mulberry Heights Gym.

A total of 12 teams are entered in the league, which will play two games a night, three

nights a week. Games will be played on Monday, Tuesday, and Thursday nights at 6:30 and 8:00.

The season will last 11 weeks and upon completion of the season an All-Star team will be chosen to compete in District competition. Admission will be 50¢ per person for each night.

The Boys' League, for boys ages 9-12, will start in mid-January and an All-Star team will also be chosen from the league to compete in District competition.

ALL-STATE RUNNING BACK CORKY WARD (left) AND REBEL COACH DAVID COLLINS

## Zion Chapel's Corky Ward Named All-State

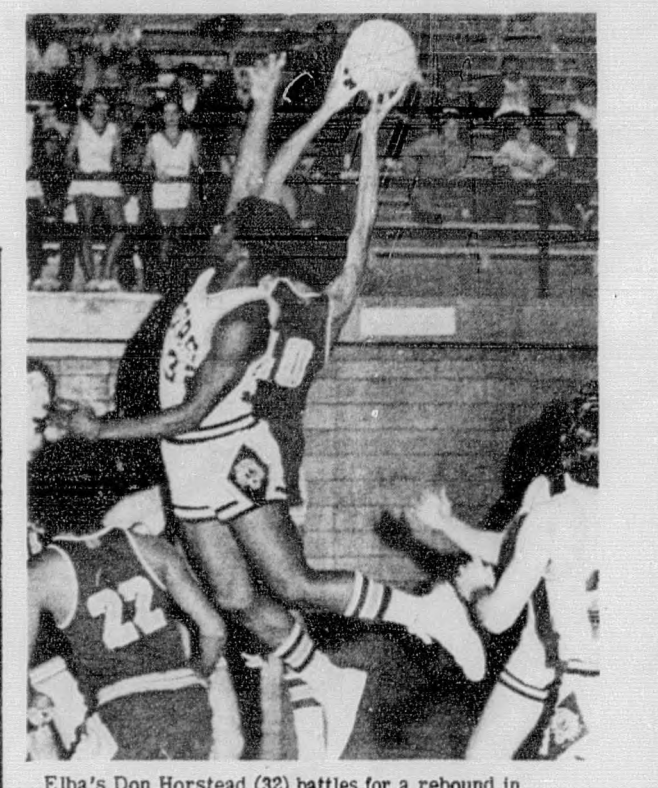

Alan "Corky" Ward, recently named the "Most Valuable Football Player" at Zion Chapel High School for the second straight year, was honored this week by being named to the MONTGOMERY ADVERTISER'S "All-State" football team.

Ward, who led the Rebels to two consecutive Coffee County Football Championships, was a standout on both offense and defense, and also was a breakout threat as a kickoff and punt returner.

Ward, a 160 pound tailback, rushed for 1075 yards during the 1978 season and amassed over 1700 yards in total offense. During his senior year,

he averaged 12.4 yards a carry and scored a total of 17 touchdowns. During his career at Zion Chapel, Ward totaled 29 touchdowns.

Ward, a three-year starter at Zion Chapel, also saw part time duty at linebacker, where he was in on 63 tackles.

Elba's Don Horstead (32) battles for a rebound in the Tigers loss to Coffee Springs.

## Elba Tigers Fall To Coffee Springs 70-67

The Elba Tigers saw their record dip to 0-6 last week when they dropped an exciting 70-67 decision to the Coffee Springs Golden Bears, in the Enterprise Christmas Tournament.

The score was tied at 4-4 early in the game, but Coffee Springs began to take charge midway through the opening stanza and pulled into a 20-10 lead. The Bears continued to pour in points in the second period and they looked ready to run Elba off the court as they grabbed 35-21 advantage. However, the Tigers refused to quit and be-

gan to rally late in the half and closed the deficit to 42-34 at halftime. Elba continued its comeback in the third quarter and pulled within one-point at 48-47 on a jumper by Carl Hamm. The Bears wouldn't let the Tigers catch'em however, and pulled back into a 5-point lead at 55-50. The Tigers kept fighting for win number one and finally moved ahead at 61-60 on a tip-in by Alan King. The lead seemed ready to run Elba off the court as they grabbed 67-61 advantage. However, the Tigers refused to quit and be-

Scored for Elba in the game were Russ Wood 19, Carl Hamm 10, Don Horstead 12, Alan King 11, Jimmy Coleman 8, Glen Johnson 4, and Gary Bradshaw 2.

BRANTLEY BULLDOGS NAMED ALL-STATE.....were (front row) L-R, Billy Christian and Tim Hall. Standing are (L-R) Johnny Walker and Brantley Coach Mike Sasser.

## Brantley Bulldogs Place 3 Players On Class A All-State Team

THE MONTGOMERY ADVERTISER has named its "All State" football teams for 1978 and the Class A squad includes three players from Brantley High School.

The players are Billy Christian, defensive end; Tim Hall, defensive back; and Johnny Walker, offensive tackle. Billy Christian, a 175 pound senior, made over 40 individual tackles from his defensive-end post and intercepted 4 passes. "Billy had an outstanding year for us," said Brantley Coach Mike Sasser. "He did such a good job early in the year that teams began

running away from him. He had a lot of responsibility in our defense, and he was agile enough not to get fooled. Billy played the option well and played well for us all year long."

Johnny Walker, a 160 pound offensive tackle, moved into the position after a starter was injured and actually only started at tackle for 6 regular season games. "Johnny is not big," reported Coach Sasser, "but he is strong and quick. He bench presses over 250 pounds and his strength was a big factor in his fine play. He was our best blocker."

"We are real proud of Corky Ward, a three-year starter at Zion Chapel, also saw part time duty at linebacker, where he was in on 63 tackles."

## Harlem Globetrotters Coming To ESJC

Dr. James Naismith may have invented basketball, but it's the Harlem Globetrotters who have given it to the world. The fabulous Globetrotters will display their unique brand of basketball magic and cage comedy at 7:30 p.m., Monday, Jan. 8, 1979, at the Enterprise State Junior College gym.

The Globetrotters have played before nearly 50 million people in their 53 year history, and many of those fans have never seen a basketball game until the Globetrotters came to town.

Often the Globetrotters game inspired the formation of national teams, and many countries, including Australia and

Israel, give the Globetrotters credit for the creation of Olympic basketball squads in their countries.

In addition to spreading the basketball word around the globe, the Trotters have had a tremendous influence on the way the game is played, even in the U. S. Basketball experts acknowledge this when they describe a tricky pass, or a crowd pleasing shot as a "Globetrotter Style" play.

Superb ball handling, fancy dribbling, pin-point passes behind the back or through the legs are all examples of the style created by the Globetrotters.

Tickets are 55 each and are available at the ESJC business office, Boll Weevil Inn and Super X Drugs in Enterprise, and the TTT Office at Ft. Rucker.

## Zion Chapel Rebels Place 3rd In Christmas Tournament

The Zion Chapel Rebels completed its, the Wichita Christmas Tournament last week and rebounded from a second round loss to Daleville to defeat Arton and claim third place. The Rebels now own a record of 7 wins and 2 losses.

Zion Chapel 73  
G. W. Long 25  
Zion Chapel opened the tournament by claiming a lopsided 73-25 win over Long. The Rebel starters played only 5-minutes in the rout as the Z.C. reserves enjoyed the big win. Zion completely dominated the game, as was evident by their 34-6 halftime lead.

The Rebels will not play until Jan. 2 when they travel to Elba to battle the Tigers, but Z.C. Coach Mike Lindsey reports his squad won't get state during the holidays. "We'll practice two days this week," said Lindsey, "and we'll practice at least 3 days next week getting ready for Elba. They haven't won yet, but I'm expecting them to play us a real tough game."

"The two games we lost I think we should have won," added Lindsey. "Our big games are still ahead of us and we'll have to hustle for all 32-minutes if we're to win. I don't think we're playing up to our capabilities, but I think we'll hit our peak after Christmas and be in good shape for the Area tournament."

Zion Chapel's success this season has come on the play of the team's 7 seniors. "I guess you could say our seniors are the key to our club," said Lindsey, "because we dress-out 9 players and 7 are seniors! Our boys have been playing basketball together since junior high and they know each other."

"Our strength," said Lindsey, "is our rebounding and our shooting. We've out rebounded everyone we've played and we take good shots. On offense and must get more consistent to keep winning. Our schedule gets tougher every game and we'll have to do our best every night."

Zion Chapel 68  
Arton 37  
The Rebels grabbed consolation honors by rolling to an easy 68-37 win over Arton.
